

Wolverine Football Club

Dear Friend,

We have begun the planning process for our **2025 Wolverine Football Season** at Aliso Niguel High School. With the support of our outstanding coaches, players, families and sponsors we had a great season, making the First round in CIF Playoffs! With nearly 160 players, we are using our momentum as a program to build successful student athletes both on the field and off. Like all school sports programs, we rely on the support of player families, our community, and local businesses to make each season possible.

This year, we invite you to share in a **mutually beneficial relationship**, filled with many **cost-effective marketing opportunities**, while you support your local ANHS Wolverines and our football program. As a not-for-profit organization, sponsorships are tax deductible and some options we provide include:

2025 Football Season Advertising & Sponsorship

Packages or Itemized Opportunities

- **Choose from options including Varsity program ads, field banners, website and social media advertising or contact us for other possibilities.**
- Community visibility for the entire football season as well as all other sports played on the field and remaining school year.
- **Affordable WOLVERINE, TEAL, PLATINUM, GOLD, SILVER, and BRONZE tax-deductible packages.**
- Advertising & Sponsorship form attached.

Thank you, in advance, for your support for the Aliso Niguel High School football program. Please feel free to contact me if you have any questions or require more information.

Sincerely,

Bridget Soto
