

# Wolverine Football Club

## Dear Sponsor,

We have begun the planning process for our **2023 Wolverine Football Season** at Aliso Niguel High School. With the support of our outstanding coaches, players, families and sponsors we had a great season, making CIF Playoffs for the first time in several years! With nearly 160 players, we are using our momentum as a program to build successful student athletes both on the field and off. Like all school sports programs, we rely on the support of player families, our community, and local businesses to make each season possible.

This year, we invite you to share in a **mutually beneficial relationship**, filled with many **cost-effective marketing opportunities**, while you support your local ANHS Wolverines and our football program.
